INDIA ENERGY STORAGE WEEK 2026

Battery Manufacturing Supply Chain • Energy Storage • eMobility • Clean Hydrogen

IICC, Yashoobhoomi, Dwarka, New Delhi | July 8th to 10th 2026

IESW Agenda at a Glance

Day 1 – 8 July				Day 2 – 9 July				Day 3 – 10 July																																																																																																																																																																																																																																																																																																																																																																																																				
Hall 1	Hall 2	Hall 3	Roundtable Room	Hall 1	Hall 2	Hall 3	Roundtable Room	Hall 1	Hall 2																																																																																																																																																																																																																																																																																																																																																																																																			
Inauguration (10:00 - 11:00)	CES Open Workshop: C&I Power Procurement Tool (12:30 - 13:30)			Opening Plenary (10:00- 11:00)	CES Open Workshop – Battery midstream (12:050 - 13:00)			Opening Plenary (10:00 - 11:00)	IESA ESS Masterclass																																																																																																																																																																																																																																																																																																																																																																																																			
from Gigawatt to Grid ready (11:00 - 11:05)				Presentation Hindustan Zinc (11:00 - 11:15)				CES EV Report Launch (11:00 - 11:15)																																																																																																																																																																																																																																																																																																																																																																																																				
Leadership talk (11:05 - 11:35)				Leadership talk (11:15 - 11:35)				Leadership Talk (11:15 - 11:45)																																																																																																																																																																																																																																																																																																																																																																																																				
Tea Break (11:35 - 11:50)				Tea Break (11:35 - 11:50)				Megatrends in Sustainable Mobility (11:45 - 12:15)																																																																																																																																																																																																																																																																																																																																																																																																				
Fireside Chat (11:50 - 12:15)				Amperehour Session (11:50 - 12:00)					Tea Break (12:15 - 12:30)																																																																																																																																																																																																																																																																																																																																																																																																			
Panel – RMI (12:15 - 13:00)				Anatomy of BESS (12:00 - 12:15)						Who’s winning the EV Race – Panel (12:30 - 13:15)																																																																																																																																																																																																																																																																																																																																																																																																		
IESA Presentation (13:00 - 13:15)				Gigafactories – Panel by TERI (12:15 - 13:00)				Lunch Break (13:00 - 14:00)	IESA ESS Masterclass																																																																																																																																																																																																																																																																																																																																																																																																			
Hoymiles Presentation (13:15 - 13:30)				Cell to BESS (13:15 - 13:30)																																																																																																																																																																																																																																																																																																																																																																																																								
Lunch Break (13:30 - 14:30)				Presentation Hanwha Momentum (14:00 - 14:15)	RECYCLE CLOSED DOOR ROUNDTABLE/ INNOVATION SESSION (14:00 - 15:15) Entry by Invitation Only	Lunch Break (13:15 - 14:15)																																																																																																																																																																																																																																																																																																																																																																																																						
Amararaja Presentation (14:30 - 14:45)	Green Hydrogen: Project Status and Outlook Panel (14:30 - 15:15)	BESS in C&I Workshop – Powered by Cleanmax (14:30 - 16:30) (Entry by Invitation Only)	BESS Safety Roundtable (Sponsored by UL) (14:30 - 16:30) (Entry by Invitation Only)	Inside the cell Panel by CEEW (14:15 - 15:00)		Women in Energy (WIE) Panel (15:00 - 17:30)	CES CARES: Engy Storage Innovations for Livelihoods (15:30 - 16:30)	Andhra Pradesh Roundtable (15:30 - 16:30) (Entry by Invitation Only)	Make in India Panel (15:00 - 15:45)	IESA ESS Masterclass																																																																																																																																																																																																																																																																																																																																																																																																		
Grid Storage Panel by Radiance (14:45 - 15:35)	Green Hydrogen: Who buys, uses and Wins - Panel (15:15 - 16:00)			Green Hydrogen: Supply Chain- Panel (16:00 - 16:45)	Keynote (15:00 - 15:25)				Urban Mining Panel (15:25 - 16:05)		IOCL session (16:05 - 16:20)	Second life Panel (16:20 - 17:00)	Pavilion Walk (16:30 - 16:50)	Impact Intelligence, Data & Ecosystem (16:50 - 17:30)	Sweden Roundtable (16:30 - 17:30)	EV Charging Panel (15:15 - 16:15)	IESA ESS Masterclass																																																																																																																																																																																																																																																																																																																																																																																											
Beyond Lithium Panel by Invinity (15:35 - 16:10)	Tea Break (16:45 - 17:00)									CEOs Roundtable with Minister (17:30 - 18:00) (Entry by Invitaton Only)								PCBL Session (17:00 - 17:15)	Company Showcase - Pace Digitek (17:15 - 17:30)	Tea Break (17:30 - 17:45)	Bharat Mobility Curtain Raiser (17:45 - 18:15)	Joint Felicitation (18:15 - 20:00) (Entry by Invitation Only)	WIE Gala Dinner (20:00 - 21:00) (Entry by Invitation Only)																																																																																																																																																																																																																																																																																																																																																																																					
Panel – GEAPP (16:10 - 16:45)																								IESA Excellence Awards 2026 (18:30 - 20:00) (Entry by Invitation Only)	Gala Dinner (20:00 - 21:00) (Entry by Invitation Only)																																																																																																																																																																																																																																																																																																																																																																																			
Andritz presentation (17:00 - 17:15)		Next frontiers for GH - Panel (17:00 - 17:45)																																																																																																																																																																																																																																																																																																																																																																																																										
BTM Panel (17:15 - 18:00)																																																																																																																																																																																																																																																																																																																																																																																																												
Keynote Address (18:10 - 18:30)																																																																																																																																																																																																																																																																																																																																																																																																												

Day 1 - 8 July 2026

Energy Storage and Green Hydrogen

Morning Plenary — Main Conference Hall

Time	Main Conference Hall	Speakers
09:00–10:00	REGISTRATION & NETWORKING TEA Delegate Registration, Badge Collection and Expo Visit	
10:00–11:00	INAUGURAL SESSION <i>(Sponsored by Mahindra Susten)</i> Powering India's Future: Energy Storage and Green Hydrogen at the Centre of Net Zero <i>Followed by CES Report Launch</i>	• Shri Manu Srivastava, Addtl. Chief Secretary, MP Renewable Energy Deptt • Shri Samir Saxena, CMD, Grid India • Ashish Khanna, Director General, International Solar Alliance (ISA) • Nitin Bhatia, CEO, Radiance Renewables • Venugopal Rao Maddisetty, Chairman and Managing Director (CMD), Pace Digitek • Avinash Rao, MD & CEO, Mahindra Susten • Nikhil Bhuta, Director, DC&T (Belding India) • Suman Nag, Global Business Development, Envision Energy
11:00–11:05	From Gigawatts to Grid-Ready	• Tanya Singhal, Vice President, Country Head, India, Global Energy Alliance
11:05–11:35	LEADERSHIP TALK Mahindra Susten, Adani Group	• Rajat Seksaria, CEO, Adani • Avinash Rao, CEO, Mahindra Susten • Bimal Jindal, CEO- Energy Business, JBM Group
11:35–11:50	Tea Break · Networking and Expo Floor Open	

Post Tea Session — Main Conference Hall

Time	Main Conference Hall	Speakers
11:50–12:15	FIRESIDE CHAT	• Parveen Jangra, Founder, COO & CTO, TrueRE Oriana Power • Vipul Shah, Head - BESS Solutions, India & Australia, Envision • Sree Venu Nadella, Business Developer, Engie
12:15–13:00	PANEL DISCUSSION (Sponsored by RMI) Pathways to BESS Project and Financing Risk Mitigation	• Presentation: Benny Bertagnini, Senior Associate, RMI • Moderator: Riya Saxena, Senior Associate, RMI India • Asesh J Chakrabarti, Deputy General Manager (CoE), PF&S SBU, SBI • Satish Talmale, CEO, EnerGrid • Tanya Singhal, Vice President, India, GEAPP
13:00–13:15	IESA PRESENTATION India's Tryst with Energy Storage	• Debmalya Sen, President, IESA
13:15–13:30	PRESENTATION Making Open Energy Accessible for All	• Prabhat Raj Sharma, Key Accounts Manager, Hoymiles
13:30 – 14:30	Networking Lunch · 1 Hour · Lunch and Expo Floor	

Afternoon Parallel Tracks — Energy Storage (Main Hall)

Time	Main Hall — Energy Storage	Speakers
14:30 – 14:50	Introducing Amaron Grid & Amaron Flex: Scaling Capacity, Maximizing Flexibility	Vikash Venkataramana, CPO, Amara Raja Advanced Cell Technologies
14:50 – 15:35	PANEL: MARKETS (Sponsored by Radiance) From Tenders to Bankability: Cracking Utility-Scale Storage	Moderator: Subrahmanyam K V, Senior Vice President Business Development and Commercial, Radiance Renewables Venugopal Rao Maddisetty, Chairman and Managing Director (CMD), Pace Digitek Purnendu Chaubey, SVP – Regulatory and Policy affairs, Renew Naresh Chandak, Sr VP, Indigrid Mateo Moreno, Business Intelligence Lead, Munich Electrification GmbH Rupam Raja, Head of Energy Storage, Ampin Energy Bharat Chhittarka, Managing Director, Trex Energy Aditya Goel, Founder & Director, Ornate Solar Jagadish Selvam, Project Leader, Aurora Energy
15:35 – 16:10	PANEL DISCUSSION: TECH (Sponsored by Invinity Energy Systems) Beyond Lithium: The Next Wave of Storage Technologies	Moderator: Ankita Chauhan, Director, Wood Mackenzie Peter Strassheim, Regional Director, Invinity Energy Systems Upma Koul, Sr VP, Sumitomo Shirish Uplenchwar, Business Development Director, Energy Dome Priyansh Mohan, Co-Founder & CEO, Meine Electric Ketan Chitnis, COO - BESS, Lineage Power (Pace Digitek)
16:10 – 16:45	PANEL: BUSINESS (Sponsored by Global Energy Alliance for People and Planet) Flexibility, Storage, and the Next Energy Challenge - Can India's Grid Keep Up?	Moderator: Nidhi Sarin, Director – Energy Transition, Global Energy Alliance Abhishek Ranjan, CEO, BSES Rajdhani Power Limited) Alok Kumar, Director General, All India Discoms Association Amit Kapur, Partner, JSA Advocates & Solicitors Sanil C. Namboodiripad, Chief Operating Officer, IndiGrid
16:45 – 17:00	Networking Tea	

Afternoon Parallel Tracks — Energy Storage (Main Hall)

Time	Main Hall — Energy Storage	Speakers
17:00 – 17:15	PSP PRESENTATION Building the Grid's Reflexes -Andritz	• Barun Mishra, DGM - BD & Sales, Andritz
17:15 – 18:00	PANEL: FUTURE New Frontiers for Storage: Telecom, Data Centers, Rail and Shipping	• Moderator: Anish Mandal, Partner, Deloitte • Richie Stephen, Senior Regional Standards Project Manager, UL • Rajiv Maddisetty, Director, Pace Digitek • Adityan DEIVA, ESS Sales & Business Development India, Middle East & Africa, Saft • Kartikeya Sharma, Co-founder & Chief Business Officer, Sunsire Energy • Saurabh Jain, CEO – ESS, GEON
18:10 – 18:30	KEYNOTE ADDRESS (Sponsored by Sunsire Energy)	• Shri. Manohar Lal, Hon'ble Cabinet Minister of Power and MoHUA

Afternoon Parallel Tracks — Green Hydrogen (Hall 2)

Time	Hall - 2	Speakers
14:30 – 15:15	PANEL: Project Development Green Hydrogen & Its Derivatives Projects: Current Status & Outlook	• Chair: Abhay Bakre, Mission Director, National Green Hydrogen Mission, MNRE • Moderator: Dr. Ajinkya Kamat, Associate Director - Innovation, IESA • Dr. Mridula Bharadwaj, Programme Lead, Green Hydrogen, Storage and Solar E-Mobility, ISA • Vivek Jaswal, Executive VP, Renew • Akash Singla, General Manager - Green Hydrogen, Methanol, CCUS, Oriana Power Ltd • Amava Sinha, EVP & Head of Business Development, ACME
15:15 – 16:00	PANEL: MARKETS Green Molecules: Who Buys, Who Uses, Who Wins?	• Moderator: Chetan Pathak, Director - Strategy & Growth, IESA • DMR Panda, Executive Director - Green Hydrogen, NTPC Green Energy • Surbhi Goyal, Sr Energy Specialist, World Bank • Kamya Kalra, Kamya Kalra, Associate - Policies and Partnerships, GH2 India • Mayank Shahi, Chambal Fertilisers and Chemicals Ltd
16:00 – 16:45	PANEL: MANUFACTURING Towards Atmanirbhar Supply Chain: Electrolyzers & Beyond	• Moderator: Dr. Deepak Yadav, Senior Programme Lead, CEEW • Shekhar Kashalikar, CEO, John Cockerill Greenko Hydrogen • Santosh Gurunath, Founder, H2 Carbon Zero & Umanage • Aditya Dhingra, Head - Hydrogen Power Systems, Ador Powertron • Sharad Garg, Business Development & Proposal Manager, Thermo Fisher Scientific, Inc. • Vijay Shekhawat, Vice President - BD, Thyssenkrupp Nucera India • Dr. Siddharth Mayur, Founder & CEO, H2e Power
16:45 – 17:00	Networking Tea	
17:00 – 17:45	PANEL: FUTURE Next Frontiers for Green Hydrogen: R&D, Innovation, Pilots	• Moderator: Prof. Aravind Kumar Chandiran, PI, Hyundai HTWO Innovation Centre, IIT Madras • Prof. (Dr.) Chitra Rajagopal, PSA Fellow, Office of Principal Scientific Advisor • Dr. Rashi Gupta, Founder & MD, Vision Mechatronics • Shree Harsha, Head – High Tech and Energy, Dassault Systems

Afternoon Parallel Tracks — BESS Safety and BESS in C&I (HALL 3 and Roundtable Room)

12:30 – 13:30

CES Open Workshop

C&I Power Procurement
Tool
(Hall 2)

14:30 – 16:30

BESS in C&I Workshop

(Sponsored by
Cleanmax)
(Hall 3)

Entry by Invitation Only

14:30 – 16:30

Roundtable on Safer Battery Energy Storage Systems (BESS) for Authority Having Jurisdiction (AHJ)

(Sponsored by Underwriter
Laboratories)

Entry by Invitation Only
(Roundtable Room)

17:30 – 18:00

CEO Meeting with Power Minister

(Hall 3)

Entry by Invitation Only

8 July 2026 | Energy Storage and Green Hydrogen

18:00 – 20:00

IESA AWARDS CEREMONY

Followed by **DINNER**
(by Invitation only)

Day 2 - 9 July 2026

Battery Manufacturing, Supply Chain and Recycling

Morning Plenary — Main Conference Hall

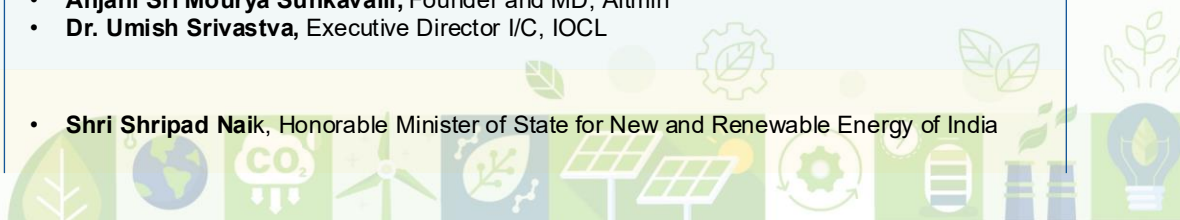

Time	Main Conference Hall	Speakers
09:00–10:00	REGISTRATION & NETWORKING TEA Delegate Registration, Badge Collection and Expo Visit	
10:00–11:00	OPENING PLENARY India's Battery Ambition: Building the Gigafactory Nation	• Shri Vijay Mittal, JS, MHI* • Vikram Handa, Managing Director, Epsilon Advanced Materials • Dr. Harin Kanani, MD, Neogen Chemicals Ltd • Bhuwan Purohit, Executive Director, Rubamin • Dwarakanadha Reddy B, Business Head, Amara Raja • Mithil Gandhi, Global Head - Business Development (BESS), Waaree • Bhupesh Rathore, National Head, Corporate & Government Advisory, YES BANK • Stephen Fernands, President, CES
11:00–11:15	Zinc Batteries, Indigenous Technology & Supply Chain	• Sheeba Mashruwala, Head for R&D, Hindustan Zinc • Shravan Kachana, CIO, Hindustan Zinc • Prof. Aravind Kumar Chandiran, PI, Hyundai HTWO Innovation Centre, IIT Madras • Prof. Prem Senguttuvan, Associate Professor, International Centre for Materials Science, JNCASR
11:15–11:35	LEADERSHIP TALK PLI to Production: Honest Lessons from India's Battery Manufacturing Journey	• Moderator: Kunal Daga, Founder, Molsynth • Nilesh Koul, MD, PCBL
11:35–11:50	Networking Tea	

Morning Plenary — Main Conference Hall

Time	Main Conference Hall	Speakers
11:50 – 12:00	Building Intelligence into Energy Storage: The Critical Role of EMS & System Integration	• Udyut Goyal, BD Manager, AmpereHour
12:00 – 12:15	Anatomy of BESS & component wise costing	• Srinivasa Botla, COO, Trex Energy
12:15 – 13:00	PANEL: (Sponsored by TERI) Gigafactories or Pipe Dreams? India's Cell Manufacturing Reality Check	• Keynote Address: Sh. Vijay Mittal, Joint Secretary, Ministry of Heavy Industries • Special Remarks: Bernhard Max Voelcker, Head of Project- Energy Storage for Renewable Energy Integration in India, GIZ • Moderator: Alekhya Datta, Director - Electricity & Renewables Division (ERD), TERI • Kuldeep Rana, Scientist-F, MNRE • Akash Kaushik, Co-founder & Director, Good Enough Energy • Venkat Rajaraman, Founder & CEO, Cygni Energy • Ketan Chitnis, COO – BESS, Lineage Power (Pace Digitek) • Prof. Bijoy Kumar Das, Associate Professor, IIT Tirupati • Kaushik Tanti, Co-Founder & COO, Replus – A Subsidiary of Bhilwara Energy Ltd
13:00 – 14:00	Networking Lunch	
14:00–14:15	Accelerating Battery Manufacturing Ramp-up through Equipment Expertise and AI-enabled Data Utilization	• Austin Kim, Assistant Manager, Hanwha Momentum
14:15–15:00	PANEL: TECH (Sponsored by CEEW) Inside the Cell: Cathode, Anode, Electrolyte and the Race to Localize	• Dr. Ujval Vaishnav: President of Specialty Business, Anupam Rasayan • Dr. Raviraj Shah, Head of Innovation Hub, TACC • Dr. Uttam Sen, Co-founder, eTRNL Energy • Akash Saraf, Manufacturing and Supply Chain Consultant-Emerging Technologies, Customised Energy Solutions • Anjani Sri Mourya Sunkavalli, Founder and MD, Altmin • Dr. Umish Srivastva, Executive Director I/C, IOCL
15:00–15:25	KEYNOTE ADDRESS	• Shri Shripad Naik, Honorable Minister of State for New and Renewable Energy of India

MIN HALL TRACKS — BESS Manufacturing & Recycling

Time	Main Hall	Speakers
15:25 – 16:05	PANEL: BUSINESS Urban Mining Gold Rush: Turning Battery Waste into Business	• Moderator: Dr Gurleen Kaur, Lead - Technology Roadmap and Policy Unit, International Solar Alliance (ISA) • Bhuwan Purohit, Executive Director, Rubamin • Anupam Kumar, Founder, Mini Mines • Yutack Kim, CEO, ABR • ALN Rao, Director, Blackgold Recycling Pvt Ltd • Rahul Gogi, VP of Growth & Strategy, Recyclekaro
16:05–16:20	Advanced materials for Energy storage application - Indian Perspective	• Dr Narayanam Seshubabu, Senior Research Manager, IOCL
16:20–17:00	PANEL: FUTURE Second Life, Second Chance: The Circular Economy of Batteries	• Moderator: Avanthika Satheesh, Director- Consulting, CES • Subramanyam Natarajan, Vice President Product Development, Bridgegreen Upcycle • Sudhindra Reddy, Co-Founder, Turno Volt • Vikrant Singh, Co-founder, Batx • Gaurav Dolwani, Founder & CEO, Lico Materials • Karthik Ganesh, Founder, Fawkes Energy
17:00–17:15	PRESENTATION – PCBL Advanced Energy Storage Solutions: Ensuring Supply Chain Security and Resilience	• Dr. Mandira Majumder, Global Technology Manager- Energy Systems, PCBL Chemical Limited
17:15–17:30	Company showcase by Pace Digitek & Lineage Power	• Ketan Chitnis, COO - BESS, Lineage Power (Pace Digitek)
17:30-17:45	Networking Tea	

HALL 2 TRACKS — Women in Energy (WiE)

Time	Hall 2 - WiE	Speakers
15:00 – 15:10	Forum Inauguration	• Neetu Nair, Director- Member Engagement, IESA • Madhuri Negi, Communication Specialist, IGEF-SO
15:10 – 16:00	Panel Discussion 1 : Tech & Inclusion: Role of AI, automation, and digital tools in enabling women's workforce participation	• Moderator - Dr. Swati Singh, Head of Regional Standards, South Asia, UL • Upma Koul, Sr VP- Energy Storage, Sumitomo SHI FW • Valli Natarajan, Executive Director, REC Limited (A Ministry of Power CPSE) • Mani Khurana, Sr Energy Specialist, World Bank • Tanushree Bhattacharya, Business Head, Clean Energy, Thermofisher
16:00 – 16:50	Panel Discussion 2: Focused discussion on vision, leadership pipelines, and industry-policy alignment.	• Moderator - Ruchi Kukreja, Assistant Vice President, Sales and Marketing, Hindalco • Sunita Benke, Chief of Staff, Replus • Apurva Barjatya, AGM, Rubamin • Rakhi Tyagi, Communications Lead, ENGIE India • Manvi Singh, AVP - HR, Amara Raja • Roshni Shah, GM, Apraava Energy
16:50 – 17:20	Company Showcases 1. TVS Indeon 2. EnerParc	• Anshika Premi, Brand Strategy Head, TVS Indeon • Arnika Ashwinkumar Tirpude, Assistant General Manager (Human Resources), EnerParc
17:20 – 17:35	Tea & Networking Break	
17:35 – 17:45	Leadership Talk	• Dr. Sangeeta, Former Executive Director, NTPC Limited

HALL 1 — WiE Awards and Networking

Time	Event
18:15 – 19:30	★ JOINT FELICITATION CEREMONY — MAIN HALL Honoring Women Leaders in Energy and Champions of Energy Access
19:30 – 20:30	WiE – Gala Dinner (By Invitation Only)

14:00 – 15:15

**Battery Recycling
Closed Door
Roundtable
(Hall 3)**

(Entry by Invitation Only)

15:30 – 16:30

**ENERGY STORAGE
INNOVATIONS FOR
LIVELIHOODS:

Chemistries,
Business Models
and Markets**

16:30 – 16:50

Pavilion Walk

16:50 – 17:30

**IMPACT
INTELLIGENCE, DATA
AND ECOSYSTEM
PARTNERSHIPS

CES CARES Impact
Framework, Panel
Discussion, Impact
Readiness Clinic**

TRACKS — Roundtables & Workshops

16:30 – 17:30

**Sweden Investment
Roundtable
(Roundtable Room)**

(Open Session)

(Roundtable Room)

12:15 – 13:00

**Battery Midstream: :
Where the Value Is,
Where the Gaps Are,
How to Close Them**

(Open Workshop)

(Hall 2)

Day 3 - 10 July 2026

E-Mobility and IESA Masterclass

Morning Plenary — Main Conference Hall

Time	Main Conference Hall	Speakers
09:00–10:00	REGISTRATION & NETWORKING TEA Delegate Registration, Badge Collection and Expo Visit	
10:00–10:30	OPENING PLENARY	• Dr Ian Martinus, Investment and Trade Commissioner, India-Gulf, Government of Western Australia • Silje Christine Andersen, First Secretary, Norway Embassy • Stephen Fernands, President, CES • Vinayak Walimbe, MD, CES & IESA
10:30 – 11:15	CES Presentation India EV and EV Component Report Launch	• Avanthika Satheesh, Director - Consulting, CES India
11:15 – 11:45	LEADERSHIP TALK India's EV Story: The numbers, the narratives and the next chapter	• Moderator : Alisha Sachdeva, Global Business Reporter Bloomberg • Vikram Gulati, Country Head & Executive Vice President, Toyota Motors
11:45–12:15	CES Presentation Megatrends in Sustainable Mobility	• Suraj Ghosh, Director – Consulting, CES • Deepak Wadhwa, Founder and CEO, DNA NETRA
12:15 – 12:30	Networking Tea	

Main Hall — E-Mobility Sessions

Time	Main Conference Hall	Speakers
12:30 – 13:15	PANEL: MARKETS Who's Winning India's EV Race?	• Moderator: Priyakshi Gupta, EV Reporter • Saurav Kumar, Founder & CEO, Euler • Akshay Parihar, Executive Director, Deloitte • Dr Uday Narang, Mithil Gandhi, Global Head - Business Development (BESS), Waaree • Jayesh Shelar, CMO, Blue Energy Motors • Subrata Mitra, SVP, Ather Energy • Md Imran, Vice President- R & D, Maruti Suzuki
13:15 – 13:30	Cell to BESS Container Manufacturing Solutions	• Neeraj Kumar, Founder, Semco
13:30 – 14:30	Networking Lunch	
14:30 – 15:15	PANEL: Tech Made in India for the World	• Moderator: Shashi Bala, Chief Officer, Ador Power • Prasanna Deshpande, Application Engineering Manager, MathWorks • Kavita Verma, CEO, Maxwell Energy • Ripunjay Parikh, MD, Schaltbau • Sudeepth Puthumana, Head of Automotive Electronics - L&T EPS Industrial • Satish Reddy, Founder & CEO, Xbattery
15:15 – 15:30	Networking Tea	

Main Hall — E-Mobility Sessions

Time	Main Conference Hall	Speakers
15:30 – 16:30	PANEL: Business & Future Building India's EV Charging Network	• Moderator: Sharif Qamar, Fellow and Associate Director, TERI • Omkar Shaligram, Head EV Charging and Ecosystem, Tata Motors • Aravind Prasad, EV Charging Head, Ather • Manasvi Sharma, CEO, Everta • Manoj Gupta, CEO, Ecofuel • Rohan Amin, Director, Lubi Group • Ramkrishna Singh, Head Business Operations - EV Charging, Tata Power
16:30 – 16:45	Conference Ends	

Hall 2 - IESA Masterclass

09:00 – 17:00

Masterclass

- ➔ If you are a **#startup** and want to **#exhibit** at IESW please reach out to us at event@indiaesa.info
- ➔ If you want to **#showcase** your **#product/ #services** at IESW you can find more here: <https://lnkd.in/druuz644>
- ➔ If you want to **#register** as a **#delegate** to attend the **#conference** you can register here: <https://lnkd.in/dr-Ut88V>
- ➔ If you want to visit and explore the **#exhibition** and attend workshops do register for free here: <https://lnkd.in/dkVkkM3M>
- ➔ If you want to register for **#women** in **#energy** you can refer to here: <https://lnkd.in/dBgA3pAV>
- ➔ **If you want to join the IESA ESS masterclass and site visit register here: <https://indiaesa.info/events/details/iesa-masterclass-on-energy-storage-delhi-edition?type=upcoming>**
- ➔ **If you want to nominate someone for IESA 40 under 40 do it here: https://docs.google.com/forms/d/e/1FAIpQLSeQKoWhj9MGXIPi6nNLIupibsiydJNA2_hKQxxd9aYcD18ISw/viewform**
